

# DONACIONES DE ARCUS FOUNDATION 2016 - 2021

Fuente: <https://gendercriticalwoman.wordpress.com/2021/04/22/arcus-foundation-grants/>

1. Codifiqué LGBTQ a menudo por conveniencia. En realidad se utilizaron una variedad de acrónimos. A menudo se omite la Q y algunas organizaciones añaden la I de intersexual. Supongo que esto es ilustrativo de la terminología aceptable en la región donde se realiza el trabajo. Llama la atención que a veces el trabajo se centra en la orientación hacia el mismo sexo, pero el proyecto está codificado como LGBT. También codifiqué ""sogi"" (orientación sexual e identidad de género) a LGBTQ El uso de GLBT también apareció en subvenciones anteriores, pero como sólo había 4 las codifiqué también a LGBTQ. También dejé un código en el que la T es la primera letra, ya que parece ser ilustrativo de hacia dónde se dirige este movimiento.

2. He marcado todas las organizaciones religiosas como centradas en la religión, pero también están centradas en el colectivo LGBT, por lo que supongo que fueron financiadas. Además, si una organización es principalmente LGBTQ pero un proyecto se centra en la religión, lo he codificado como religión.

3. He utilizado ""intersex"" para codificar los proyectos, incluso cuando eran lo suficientemente conscientes como para utilizar Variaciones del Desarrollo Sexual u otros términos. Esto se debe a que algunos utilizan ""intersex"" y esta es la forma en que las diferencias de desarrollo sexual aparecen, por lo general, en la literatura queer.

4. Codifiqué algunas organizaciones o proyectos como ""legales"" cuando el objetivo predominante era el litigio estratégico o el asesoramiento jurídico, a menos que ya estuvieran claramente etiquetados en el nombre de la organización y su único objetivo fuera ""transgénero"" Por lo tanto, si quieres ver estos grupos tienes que filtrar pero también incluir organizaciones con nombre como ""transgender Law center"" que he etiquetado como ""transgender"" en lugar de ""legal"". **FUENTE: https://gendercriticalwoman.wordpress.com/2021/04/22/arcus-foundation-grants/**
